About DL Exports International, Inc.

DL Exports International has provided consulting services to exporters for more than 20 years. With a background in export regulatory and ISO 9000 compliance, our consultants assist many firms in the United States and abroad in establishing, documenting, and auditing their internal procedures in the areas of quality and export compliance. Natascha Finnerty, Founder, is a qualified auditor for the Directorate of Defense Trade Controls.

Testimonials

CUSECO® certification has been a positive step in understanding the complexities in trade compliance and has helped move my career forward.

... Arlene F. Mann, CUSECO, CIP

Our company needed qualified personnel to handle the operations and I saw this as a great opportunity to enhance my career and build some job security. I have earned both the CUSECO® and CIP certifications. The president of our company has now assigned me multiple tasks including travel to other corporate companies to help establish operations.

... Terri Simmons, CUSECO®, CIP

... the education and training I have gained has allowed me to tailor our export compliance program to be business effective and yet remain in compliance with regulations such as the Export Administration Regulations and the International Traffic in Arms Regulations.

... Robert J. Rulavage, CUSECO

APPROVED PROVIDER OF THE CUSECO® PREP COURSE

www.dlexports.com

The CUSECO® Certification is a valuable investment.

The Certified US Export Compliance Office (CUSECO®) Exam contains 200 multiple choice questions and is timed in a four hour period. Individuals who pass the certification exam must annually complete 10 Continuing Education Units (CEUs) through seminars, online courses or other training by specific IIEI Certification.

The Certified US Export Compliance Officer® Certification indicates that the candidate has demonstrated qualification in relevant EAR and ITAR knowledge requirements which can help keep a company safeguarded from committing export compliance violations.

THERE ARE BENEFITS IN HAVING CUSECO® PROFESSIONALS WITHIN AN ORGANIZATION.

BENEFITS TO ORGANIZATION

- » Reduce fines, penalties and the risk of a government audit
- » Minimizes company liability
- » Protects shareholder value
- » Supports national security initiatives and export compliance requirements
- » Demonstrates due diligence

BENEFITS FOR INDIVIDUALS

- » Builds professional credentials and status
- » Differentiates you from the competition
- » Increases your value to employers
- » Enhances career opportunities
- » Demonstrates your understanding of export regulations: the EAR and ITAR regulations.

ABOUT THE CLASS

This prep course is an intense two-day training exercise, eight hours per day. Students complete several sets of test questions that have been used in previous CUSECO® exams.

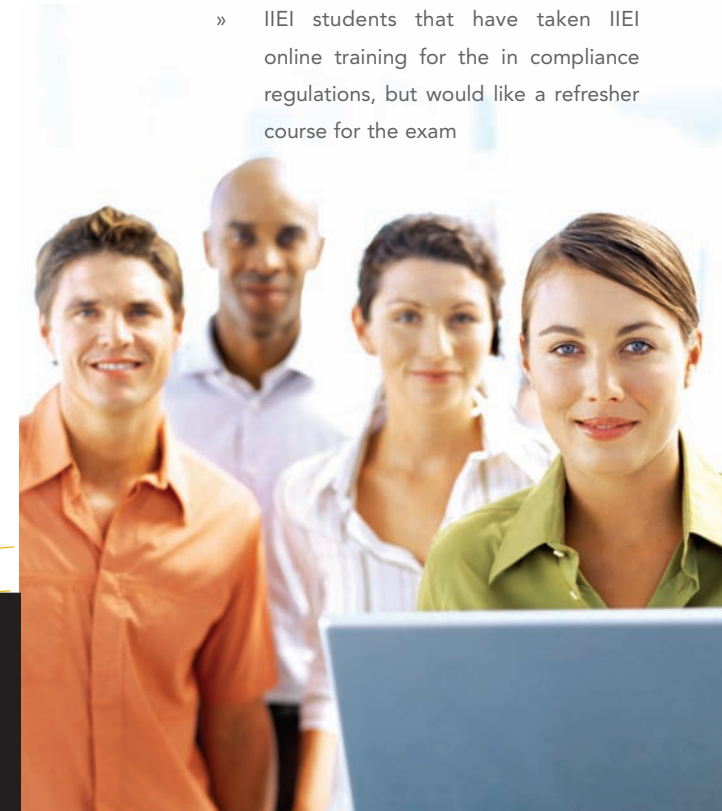

WHO SHOULD TAKE THE CUSECO® PREP COURSE:

- » Individuals that have received previous ITAR & EAR training through seminars and in-house training
- » Individuals that are well versed in the compliance regulations through extensive work experience
- » IIEI students that have taken IIEI online training for the in compliance regulations, but would like a refresher course for the exam
